

SAVE THE DATE - MAPPING WORKSHOP!
 Co-sponsored by Collaborative Learning, Inc. and Michigan ASCD
 May 4, 2006 - Detroit, MI

collaborative learning inc.™

Curriculum Mapping: A Global Perspective

This seminar is designed for district leaders and educators who want to understand the rationale, process and benefits of curriculum mapping. During the workshop, participants will learn how curriculum mapping supports the efforts of schools/districts in refining instruction, promoting communication and collaboration, and aligning the curriculum to Michigan state standards and assessments.

Professional Learning Associates™
